Sub: Invitation to serve as an **invited speaker** at SOFEEM-2024

Dear Dr. Abhimanyu Singh Rana,

Greetings to you!

We are delighted to announce that we are organizing a "**National Conference on Status and Opportunities in Functional Energy and Electronic Materials (SOFEEM-2024)**" to be held at SRM University-AP, Andhra Pradesh from **March 02 - 03, 2024**. Established in the capital region, SRM University-AP is a research-intensive university equipped with state-of-the-art infrastructure and committed to bringing together researchers from around the world to explore and link research areas for mutual collaboration and growth.

The theme of SOFEEM-2024 is "Bridging the Gap Between Academia and Industry to Promote Sustainable Energy and Smart Electronics." The conference will facilitate a convergence of researchers and practitioners to discuss the latest advancements in these fields and explore ways to collaborate on innovative solutions. A wide range of topics will be covered, including Green energy, Renewable energy, Novel Materials, Smart electronic materials, Fabrication technologies, and Energy management.

We are honored to invite you to deliver a presentation as an "**Invited Speaker**" at the conference. The registration fee for the invited speakers is waived. In addition, we will provide the local hospitality with accommodation. Your expertise and insights would be invaluable to our conference participants. We sincerely hope that you will accept our invitation and embellish the conference. Kindly let us have your response to the **E-mail ID: conf.sofeem@srmap.edu.in**. Also, we seek your consent for uploading your name to the list of invited speakers (*on the conference website*).

Yours truly,

Dr. Jatis Kumar Dash
